Rows = shelf levels (each level has its own color). Columns = bins on that level (admin sets count and codes, e.g. A1–A3).

Other label types (sample accents)

Product/carton/shipment use distinct border colors so workers spot label purpose quickly.

Product label

SKU scan

SKU:ABC123-BLK-M

Premium Hoodie · Black · M

Carton / receiving label

Lot + expiry + qty

SKU=ABC123|LOT=L2405A|EXP=2027-08-31|QTY=24

Inbound traceability

Shipment / handling label (optional)

Staging & dispatch

SHIP=SHP-2026-00421|CTN=3/8

Internal carton in shipment

Worker rule: Scan WHAT (product/carton) + Scan WHERE (bin) + Confirm QTY.
